

Te Runanga o
Waihao

Te Rūnanga o Waihao invites you to a

Community planting day

at Te Punatarakao wetland on the Waihao River

Come along and help get some native plants in the ground at a local wetland and support Te Mana O Te Wai Wainono Lagoon Restoration Project.

Enjoy a morning outside with your community – all ages welcome – and meet some of the people involved in the restoration project over a barbeque lunch.

The restoration of the wetland aims to protect mahinga kai (traditional food and resource gathering) values and contribute towards improving water quality in Wainono Lagoon.

The Punatarakao wetland planting day is being supported by the Lower Waitaki South Coastal Canterbury Water Zone Committee, the Ministry for Primary Industries, Department of Conservation and the Department of Corrections (who propagated the seedlings).

For more information ☎ 03 689 4726

**PLANTING
DAY SITE**

**Saturday 19 May
11am**

At the end of Bradshaw's Road, Willowbridge. The location will be signposted from the road end at old Bradshaw's bridge site.

WHAT TO BRING:

Practical footwear, a spade if you can (some will be provided) and a jacket if it's wet. Gardening gloves are also a good idea. Kids welcome.

WE WILL SUPPLY:

Barbeque lunch at the Marae, water and juice, spades.
